The Deputy Commissioner, Shiyali writes for instructions as to whether he should sanction the estimate for Rs 300/- for Abhishekam ceremony of Sri Nilakanteswara Swamy at Nagore.

The question was referred to the Agents Archaeological Officer. As they wanted some information on the subject, the Deputy Commissioner was requested to furnish the same. In reply he states that the estimate cannot be reduced to less than Rs 192/- as the articles required for Abhishekam have to be got from Ceylon and the Tamil Country

They submit a list of articles required for ashtabandhana which cost about Rs 42-4-0. They further state that a total sum of Rs 150/- including the cost of ashtabandhana and Santarpana will be quite sufficient for the purpose.

Muzrai Secretariat | File No. of 190

The Asst. Comrs. of this Office who know how to prepare the Sthalapurana can get it done at a cost of only Rs 42-4-0. The Comr. under this head may therefore be requested to remit Rs 42-4-0 & the other items may be fixed. It is perhaps advisable to depute the Asstt. of this Office to go to Nagar and have the needful done. It appears that in the next Kartika month (about Nov.) there are no auspicious days for performing Kshetrapurana.

Submitted for orders

Sd/- 8/8/08 A copy of the Asstt's present report may be sent to the Dy Comm'r for information with the intimation that if so desired the Asstt of this Office will be deputed to carry out the Ceremony

Sir,

With reference to your docket No. 1218 dated 29th August 1907 re the estimate for the performance of Ashtabandhana ceremony to the idol of Sri Nilakanteswara Swami at Nagar, I have the honor to state that the amount of the estimate cannot be reduced as the Ashtabandhana has to be got from Sobrena in the North Canara District, there being no one in these parts who is acquainted with the method of preparing the same. The cost of the Ashtabandhana had originally been put down at Rs 250/- for 50 Seers of the material at 5 Rs per Seer.

The

The quantity having been reduced to 48 seers and the rate to 4 Rs per seer, the cost of the Ashtabandhana was subsequently entered as Rs 192/-.
The description of the materials that go to constitute the Ashtabandhana and the exact proportion in which they are mixed cannot be ascertained here for the reason already stated.
The image of Sri Nilakantaswara swami is reported to be 4 feet and 8 inches in height with a circumference of 30 feet and as a space of one inch between the idol and the socket all round exists, it is stated that a large quantity of the Ashtabandhana material is required.
